

Arena  
Ardell

Setup  
Driving Mini

Note: Half and center lines are recommended for setup.

**Equipment**

- 2) 12' ground poles
- 12) 18" tall cones

For carts with tire width greater than 2". Measure tire width and add 4". Adjust outside pole so the distance between poles is this new dimension.

Use right edge of last cones for start point for distance out and center this cone like rear center cone.
