Expectations:					
<ul style="list-style-type: none"> • Light contact from hands to bit through reins is expected at all times. Elbows should be in a straight line formed from elbow through hands to bit. Hands form an "A" while keeping wrists straight. • Consistent cadence, rhythm, and impulsion are expected throughout. • Should be ridden as a flat class in preparation for over fences. Rider should maintain chin up, heels down, and leg contact with horse's barrel at all times. • Little fingers may be either inside or outside of reins. • Eyes should be kept up, looking toward next maneuver. • Iron should remain on ball of foot throughout pattern (Except when asked to drop irons). • At walk & trot, there should be a near straight line from the shoulder to the hip, to the heel. • At canter and hand gallop, shoulders should be a couple of degrees in front of the vertical. • Right diagonal means side to post on, not correct diagonal • Lead changes should be smooth with quality flying lead changes receiving higher scores.
